Motion Sperry Second Hannagan 3 RCV

Public Session

Bonnie Bell told the committee she had a mold allergy and the basement was not ADA compliant. The committee responded that the basement will be cleaned and it does not have to be ADA compliant she can use the meeting room for appointments.

Maggie Maxwell Mood asked the committee if the girl scouts could come to the next meeting and committee said yes. Maggie then asked to have the zoning officer look into the Matthews Property on Waterworks Road and the Committee said they would have the zoning officer check it out. . Finally she wants the committee to have the basement tested for Air Quality, Mold and Radon. The committee said they will have that done.

Joe Elwell asked if the mosquito commission would notify everyone when they spray. The committee responded that it is difficult to let everyone know but there is a letter sent telling us where they will spray the day before they do it, but this is just when they are using the truck not the aerial spraying.

Ed Counsellor told everyone about a White pickup truck with a couple in it that were soliciting for money. He also informed us that there are kids hanging out at buds and walking around town that are up to no good.

The state trooper that was here told us he would check into the kids and to let the state police know when they are being a problem.

Mrs. Schermerhorn wanted to know why the township can't do more about the guy next to her and the committee tried to explain but finally Trooper told her it is out of the townships hands it is a court matter now.

Joe Elwell asked if Mrs. Schermerhorn's neighbor is issued a warrant again will it be the same? Solicitor Trunk said yes unfortunately.

There being no further business motion to adjourn at 7:58pm by Owens, Second Sperry
3 RCV yes
