Public Session

Ed Masker asked if the committee had looked into the 4 way stop. The committee said we have talked to the engineer and he quoted us a survey price but we need to wait until our budget is adopted.

Mr. Remster told us he had heard a rumor that we do not get the .10cents a ton for gravel anymore and Mayor Sperry said yes we do. He also asked about the tax collector report and he was told we can make him copy if he would like.

Mrs. Nacucchio asked about the dirt on the highway. Mayor Sperry said it is cleaned up regularly. They are looking to install a tire wash to help control the dirt but they have to go to the planning board first.
