The committee received a resignation from one of the crossing guards and we received an application from a resident who is interested. The committee discussed it and will offer the job.

The Brown Road Bids were approved by the solicitor and the engineer to award the job to South State as lowest bidder.

The JIF is requiring better email security so our IT people will move forward with the requirements we need to meet.

The clerk went over the Storm Water report and the few corrections we need to make.

The clerk informed the committee about the issues we have with Salem City as our Sewer Operator. They have not sent any testing nor have they put the Back Flow prevention tester on the DEP Physical Connection permit for approval of test results.
