Roll Call Mayor Sperry, Committeeman Owens, CFO Elwell, Clerk Uzdánovics

We will approve Committeeman Owens for Salem County Road Committee.

The committee discussed trash options since we have to go out to bid this year and it is extremely expensive.

The committee went over the issues at Wild Oaks. They also discussed the House next to the fire house. It could be a health issue so the committee is going to see if the Health Department can come out.

Don Peyre Ferry asked about the fire truck and the committee said we are working on it. We have to find money and Deputy Mayor Hannagan may want another quote.

Mr. Peyre Ferry asked about Ice dams and he was told they were reordered and should be here in a week or two. Also asked about parking lot resurfacing and the committee said Probably not in the budget this year but we will look into it. He then asked to have the Rabies clinic moved and the Mayor said no that cannot be done at this time.

There being no further business motion to adjourn at 5:11pm by Owens second Sperry 2
